what resolution on kashmir--when pakistan belongs to india.. Jew rothschild divided india into three for three jewish bloodlines..

1) jinnah --was a gujarati ismaili jew .. Whenever kathiware jew gandhi was jailed with great fanfare, the same night he would be transported secretly by jew rothschild into one of jew aga khans luxury palaces, where two naked teenage girls would be waiting with enema kit and blanket.

Jinnahs wife ruttie was a jewess. Rutties grandfather sir dinshaw maneckji petit was german jew rothschilds opium agent..rothschild grew opium in india and sold it in china..dinshaw maneckji petits grandson, sir dinshaw maneckji petit, 3rd baronet, was married to, sylla tata, the daughter of ratanji dadabhoy tata and the sister of jehangir tata.. Tatas were rothschilds (and jew sassoons) opium drug running partners. Petits were called so because their ancestor french jew was a midget jew.

THE KASHMIR DISPUTE , BRIEF HISTORY OF KASHMIR CRISIS - CAPT AJIT VADAKAYIL

Level headed reasoning -- Our rivers come from Kashmir (see above picture) -- we are NOT stupid to give it up now . These are OUR rivers since time began.. APNA ICH MAAL HAI !

Mount Kailash , the abode of Lord Shiva has always been part of India since eternity. Today, after British rule a Hindu has to take a visa from Communist China to see the mountain.

Today all TV s are showing footage of two Indian soldiers who were captured , tortured and mutilated by the Pakistan army, inside the LOC of Indian side of Kashmir.

This is an added tally to the Kashmir conflict deaths.

1000 years ago there were NIL Muslims in Kashmir. The word Kashmir is an ancient Sanskrit word which literally means Land of Kashyap Rishi.

Kashyap Rishi was a Saraswat Brahmin and one of the Saptarshis, who was key in formalizing the ancient Historical Vedic Religion. The Hindu Kashmiri Pandits are his descendants and have named the valley after him, in his honour

Few years ago, History Channel showed a frozen pass in the Himalayas , where thousands of civilian men , women and children with no weapons on them lay dead huddled together in a small area. Their bodies were intact due to the cold and they appeared frozen in time, almost in a deep sleep, ready to get up after a good rest.

The commentator said that it appears that these people died about 500 years ago, and they had no dang clue how this happened.

This is what happens when History Channel does NOT know history.

These were the frozen bodies of Kashmiri Pandits who were persecuted during the rule of Sikandar Butshikan 600 years ago. He was an ethnic cleanser who was the first to be guilty of a holocaust.

This 7th Muslim king of Kashmir , Sikandar Butshikan , was the most cruel of all the Muslim rulers who invaded India. He was the the second Sultan of the Swati Afghan Shah Miri dynasty of Kashmir 1389–1413 AD.

His cousins were ruling Afghanistan and the Western part of Pakistan. They had been ruling Kabul lagmant and Swat in 1190–1520, and are known as Jahangiri dynasty in history. Below -- Marthanda temple if intact would have been the most fabulous structure on the planet today-- even more beautiful than Taj mahal.

It took his soldiers 13 months to destroy the glorious 3100 year old Marthanda Sun Temple of Kashmir--such was its amazing strength with huge interlocking stones..

I would like you to go to Google EARTH and zoom in on the site of The Martanda temple (coordinates Lat 33°44'44"N Long 75°13'13"E) nine kilometres east-north-east of Anantnag district headquarters.

Above is a black and white photo of this magnificent temple , taken in 1868 by John Burke.

Below: 5100 year old Sharada Peeth is a University in Pakistan Occupied Kashmir.. Visiting Namboodiri professors from Kodungallur University Kerala (including Adi Shankaracharya) taught here after opening the Dakshin Dwar.. Adi Shankaracharya consecrated the Mookambika temple at Kollur Karnataka 4000 years ago, and the idol of Sharada was a replica from this temple..

The Golden Temple of Amritsar below is modeled after Marthanada temple. This cruel Muslim king authorised his soldiers to rape dead Hindu women who took poison

to escape capture. He had already banned all Hindus in Kashmir from cremating their dead bodies.

For a Hindu cremation after death is a must to prevent the soul being trapped on earth. Punch into google search RIP IMPOSSIBLE WITH BURIAL, THE WORLD IS GOING BACK TO CREMATION VADAKAYIL

He banned dance, drama, music and iconography as aesthetic activities of the Hindus and fiated them as heretical and un-Islamic. He forbade the Hindus to apply a tilak mark on their foreheads. He did not permit them to pray and worship, blow a conch shell or toll a bell. A heavy Jizya (tax) equal to 4 tolas of silver was imposed on the Hindus.

All temples were destroyed . A huge tax was imposed on Hindus . If a Hindu was caught in a Muslim dress to escape capture, he would be tortured most severely.

His policy towards Hindus was -- convert or die. As has happened time and again in Indian History it was a Sufi saint Sayyid Mir Ali Hamdani , along with 700 Sayyids, his followers , who came to Kashmir in 1393 and drove a wide and deep wedge between the majority Hindus and minority Muslims. And as usual these Sufi saints do propaganda that they were told to do all this by Allah himself at Mecca.

The Muslim king Sultan Qutubudin was under his spell and he ordered him to impose the following sanctions on non-Muslims,as per Allah's will :

The Hindus will not construct any new temples under the rule of Muslims.

They will not repair old temples fallen into ruins.

They will respect Muslims.

They will not dress like Muslims.

They will not ride a horse with saddle and bridle.

They will not put on a ring on their fingers.

They will not carry swords or bows and arrows.

They will not adopt Muslim names.

They will not harbour spies or act as spies.

If any relation of theirs wants to embrace Islam, they will not oppose it.

If a Muslim comes to attend a Hindu meeting he will be respectfully received.

They will receive Muslim travelers into their houses & provide them hospitality.

They will not prevent Muslim travelers from staying in their temples & shrines.

They will not mourn their dead loudly.

They will not buy Muslim slaves.

They will not build houses in neighbourhood of Muslims.

They will not sell intoxicating drinks.

They will not carry their dead near the grave-yards of Muslims.

They will not openly practice their customs and usages among Muslims.

They will not give up their traditional dress so that they can be distinguished from Muslims.

But it was this Sufi saint Sayyid Mir Ali Hamadani's son Mir Mohammed Hamdani , who worked with the cruel Sikandar Butshikan, to enforce these fiats and more to make life traumatic for the Kashmiri Pandits.

His heart filled with bigotry and hate, Sayyid Mir Ali Hamdani son, openly preached extermination of Hindu religion from the soil of the Kashmir so that Islam may flourish and get unshakably entrenched in their place, as per Allah's decree. Their sacred Hindu books were thrown into the Dal Lake by Sikandar Butshikan . The Pandits numbering over one lakh (100 000) were drowned in the Dal Lake by holding their heads underwater and then they were burned in a heap at a spot in the vicinity of Rainawari in Srinagar City known as Bhatta Mazar beyond present day Jogilanker.

The waters of the placid Dal Lake holds all these morbid memories.

'Living water' is an organized state of matter and energy, and capable of storing and transmitting information. Water in everything we eat or drink carry with it a subtle informational content that imparts a "memory" into our "water body." Molecules of water are affected by our thoughts, words, and feelings. The implications go beyond homeopathy and 'energy medicine" and into the interaction between water and consciousness. Water has a memory in which it stores information about the surrounding sounds, chemicals and even human emotions. Water retains information, even after the most stringent purification and filtration processes The memory is stored in clusters of H₂O molecules that are formed when several molecules join together.

This is the reason why tourists after boating at Srinagar Dal Lake get sleepless nights and nightmares.

The exodus was now triggered. Unable to bear the trauma there was a mass exodus of the Kashmiri Pandits from their homes and lands where their ancestors had stayed for thousands of years, via the Smithian pass and Batote.

Almost all the old mosques of Kashmir are built using stones from destroyed Hindu temples. Sikandar Butshikan personally supervised destruction of huge glorious temples, he got a kick out of this. I guess the real reason is that he did NOT trust his own generals to truthfully declare the amount of gold they got from the temple underground vaults—as it had happened at the Marthanda temple .

This caused a remarkable incident .

After a temple built by Raja Bulnat was torn down and its basements and vaults dug up, a copper-plate was discovered, on which was the following inscription: "Raja (king) Bulnat, having built this temple, was desirous of ascertaining from his astrologers how long it would last, and was informed by them that after eleven hundred years, a king named Sikandar would destroy it, as well as the other temples in Kashmir".

Sikandar was totally surprised, and angry that such accurate predictions could be made by Hindu astrologer priests. It is on record that he raved and ranted the whole day after consuming opium , that if he had known about this copper plate before , he would have not have destroyed this temple –just to prove the Hindu priests wrong.

In 1349, Shah Mir became the first Muslim ruler of Kashmir and inaugurated the Salatin-i-Kashmir or Swati dynasty. This dynasty ruled Kashmir until the Mughal conquest in 1586.

So, for the next five centuries, Muslim monarchs ruled Kashmir, including the Mughals, who ruled from 1526 until 1751, then the Afghan Durrani Empire that ruled from 1747 until 1819. Akbar conquered Kashmir in 1587 A.D and he gave the intelligent Kashmiri Hindus high posts in his government. Even Birbal was a Hindu. . It was he, who pleased with their intelligence, gave them the surname Pandit.

In 1816, Jammu was annexed by Maharaja Ranjit Singh of Lahore and in 1819 Kashmir was also added to the Sikh empire—Sikhs had enough of Muslims torturing and killing their Gurus. This marked the end of Muslim rule , persecution and endless trauma of Kashmiri Pandits. During Ranjit Singh's rule, Kashmiri shawls became known world wide, attracting many buyers especially in the west.

In 1820 Maharaj Gulab Singh got the Jagir of Jammu from Maharaj Ranjit Singh. He laid the foundation of the Dogra dynasty. In 1845, the First Anglo-Sikh War broke out. In 1846 Kashmir was sold to Maharaj Gulab Singh. Thus the two areas of Kashmir and Jammu were integrated into a single political unit.

In 1846, upon the purchase of the region from the British under the Treaty of Amritsar, the Dogras—under Gulab Singh—became the new rulers. Dogra Rule, under the paramountcy

(or tutelage) of the British Crown, lasted until Indian Independence in 1947. The Treaty of Amritsar, signed on March 16, 1846, marked the sale of Kashmir by the British East India Company (Rothschild) to Maharaja Gulab Singh Dogra after the First Sikh War with the United Kingdom. Gulab Singh was to pay 75 lakhs (7.5 million) of Nanak Shahi rupees (the ruling currency of Punjab) to the British Government, along with other annual tributes. The Treaty of Amritsar marked the beginning of Dogra rule in Kashmir.

Ranbir Singh's grandson Hari Singh, who had ascended the throne of Kashmir in 1925, was the reigning monarch in 1947 at the conclusion of British rule of the subcontinent and the subsequent partition of the British Indian Empire into the newly independent Union of India and the Dominion of Pakistan.

In 1903, Hari Singh served as a Page of Honour to Lord Curzon at the grand Delhi Durbar. By the age of 20 he had been appointed commander-in-chief of the Jammu and Kashmir state forces. Following the death of his uncle, Sir Pratap Singh, in 1925, Sir Hari Singh ascended the throne of Jammu and Kashmir. During the Second World War, from 1944-1946 Sir Hari Singh was a member of the Imperial War Cabinet. Maharaja Hari Singh of the State of Jammu & Kashmir was able to sign its accession to India in 1947 because Maharaja Ranjit Singh had conquered it earlier and put Hari Singh's ancestor Gulab Singh Dogra as Governor— all with Rothschild's blessings . Hari Singh rubbed shoulders with the banking cartel at parties abroad .

The British East India company owner Jews Rothschild wanted an Islamic buffer on either side of the Himalayas (Pakistan and Bangladesh) to prevent the communists from accessing the blue all weather Indian ocean. Even in those days it was well known that a few nuclear submarines can rule the world.

When partition happened and the Indian Hindus did NOT want to go to Pakistan and Bangladesh , Hindu Muslim riots were engineered. Despite all this even today there are more Muslims in India than the whole world put together , if you leave out Indonesia.

J&K state or in fact, Kashmir valley was the only place in 1947 where no communal violence happened during the partition.

When Britain hastily withdrew from India, some 580 Princedomns were obliged to cede their lands to either India or Pakistan. In 1947, after India gained independence from British rule, Jammu and Kashmir had the option to join either India or Pakistan or to remain independent, due to its unique location.

The Hindu Maharaja Hari Singh Bahadur, ruler of Jammu and Kashmir elected to join India .

The real reason was that Mohammed Jinnah wanted to come to Kashmir ostensibly to recover from an illness. He sent forth his military secretary, Colonel William Birnie to make

arrangements unilaterally. Hindu Hari Singh saw through the Islamic chicanery , as his population had Muslim majority and denied him permission.

A furious Jinnah ordered the Pakistani army in the guise of tribesmen to attack Kashmir during Hindu Navaratri celebrations and usurp the lands.

It is no wonder Jinnah fell sick as he was surviving on an UN-Islamic and unhealthy diet of neat whisky and ham sandwiches.

It all started on October 21st 1947 at night. Hundreds of Pathans – always easy cannon fodder for the Pakistani establishment – were gathered and lined up against the border as the world was in darkness and the Hindus in Kashmir started their celebrations of Navratri (9 continuous nights of celebrations).

THIS HASTY MOVE BY JINNAH WOULD DRIVE KASHMIR INTO THE ARMS OF INDIA FOR EVER -- IF BHUTTO WANTED THOUSAND YEARS OF WAR , INDIANS ARE READY TO GIVE ONE MILLION YEARS OF WAR.

Mahura Power Station was exploded with dynamite and the entire area from border areas with Pakistan to all the way near China went into total darkness. On the other side, the Muslim army soldiers in Maharaja Hari Singh's Army , at Jinnah's instigation, killed their Hindu commander, Col. Narain Singh and lit the flares to give the signal to their Pakistani contacts and Pathans that all was well and attack could be resumed.

Hari Singh in distress appealed to India for help and acceded to India, when India responded to his cry for help. Hari Singh signed the Instrument of Accession on October 26, 1947, acceding the whole of his princely state (including Jammu, Kashmir, Northern Areas, Ladakh, Trans-Karakoram Tract and Aksai Chin) to the Dominion of India.

Pakistan and India four times went to war against each other and out of which three were due to Kashmir issue. While India holds about 45% of J&K territory and Pakistan controls 35%, China occupies about 20% which includes Aksai Chin

Instrument of accession executed by Maharaja Hari Singh was similar to such instruments executed by the rulers of other acceding states. There was no scope for ifs and buts in it. According to it the signed accession was full, final and irrevocable and not in any way conditional or provisional.

Text of letter dated October 26, 1947 from Sri Hari Singh, the Maharaja of Jammu and Kashmir to Lord Mountbatten the GovernorGeneral of India.

My dear Lord Mountbatten,

I have to inform your Excellency that a grave emergency has arisen in my State and request immediate assistance of your Government. As your Excellency is aware the State of Jammu and Kashmir has not acceded to the Dominion of India or to Pakistan.

Geographically my State is contiguous to both the Dominions. It has vital economical and cultural links with both of them. Besides my State has a common boundary with the Soviet Republic and China. In their external relations and Dominion of India and Pakistan cannot ignore this fact.

I wanted to take time to decide to which Dominion I should accede, or whether it is not in the best interests of both the Dominions and my State to stand independent, of course with friendly and cordial relations with both.

I accordingly approached the Dominions of India and Pakistan to enter into Standstill Agreement with my State. The Pakistan Government accepted this Agreement. The Dominion of India desired further discussions with representatives of my Government. I could not arrange this in view of the developments indicated below. In fact the Pakistan Government are operating Post and Telegraph system inside the State.

Though we have got a Standstill Agreement with the Pakistan Government permitted steady and increasing strangulation of supplies like food, salt and petrol to my State. Afridis, soldiers in plain clothes, and desperadoes with modern weapons have been allowed to infiltrate into the State at first in Poonch and then in Sialkot and finally in mass area adjoining Hazara District on the Ramkot side.

The result has been that the limited number of troops at the disposal of the State had to be dispersed and thus had to face the enemy at the several points simultaneously, that it has become difficult to stop the wanton destruction of life and property and looting.

The Mohara powerhouse which supplies the electric current to the whole of Srinagar has been burnt. The number of women who have been kidnapped and raped and makes my heart bleed. The wild forces thus let loose on the State are marching on with the aim of capturing Srinagar, the summer Capital of my Government, as first step to over running the whole State.

The mass infiltration tribesman drawn from the distant areas of the North-West Frontier coming regularly in motor trucks using Mansehra-Muzaffarabad Road and fully armed with up-to-date weapons cannot possibly be done without the knowing of the Provincial Government of the North-West Frontier Province and the Government of Pakistan. In spite of repeated requests made by my Government no attempt has been made to check these raiders or stop them from coming to my State.

The Pakistan Radio even put out a story that a Provisional Government has been set up in Kashmir. The people of my State both the Muslims generally have North-West Frontier coming regularly in motor trucks using Mansehra-Muzaffarabad Road and fully armed with up-to-date weapons cannot possibly be done without the knowing of the Provincial Government of the North-West Frontier Province and the Government of Pakistan.

In spite of repeated requests made by my Government no attempt has been made to check these raiders or stop them from coming to my State. The Pakistan Radio even put out a story that a Provisional Government has been set up in Kashmir. The people of my State both the Muslims generally have taken no part at all.

With the conditions obtaining at present in my State and to great emergency of the situation as it exists, I have no option but to ask for help from the Indian Dominion. Naturally they cannot send the help asked for by me without my State acceding to the Domination of India.

I have accordingly decided to do so and I attach the Instrument of Accession for; acceptance by your Government. The other alternative is to leave my State and my people to freebooters.

On this basis no civilized Government can exist or be maintained.

The alternative I will never allow to happen as long as I am Ruler of the State and I have life to defend my country.

I may also inform your Excellency's Government that it is my intention at once to set up an interim government and ask Shaikh Abdullah to carry the responsibilities in this emergency with my Prime Minister.

If my State has to be saved immediate assistance must be available at Srinagar. Mr. VK Krishna Menon is fully aware of the situation and he will explain to you, if further explanation is needed.

In haste and with kindest regards.

Yours Sincerely

Hari Singh

The Palace, Jammu

26th October, 1947

THIS WOULD BE JINNAH'S SECOND AND MORE COSTLY MISTAKE.

The Pathans were more interested in rape of attractive women and plunder of wealth.

They made the mistake of raping British nuns , even the aged ones, from a monastery -- which really pissed off the British.

Major General Douglas Gracey got the first report of this attack a full two days after it had all started. Such was the secrecy of Jinnah's planning. Interestingly, the head of Armies and defense on both sides of the border were British.

Lord Mountbatten was hosting a banquet for Thai Foreign Minister. As the guests slowly left the hall at the end of the banquet, Indian PM Nehru was requested to stay back and told of the first war in Kashmir.

Nehru frothed from the mouth talking about the United Nations, Russia, God Almighty, Edwina's pull with Rothschild, all and sundry until Sardar Patel lost his temper (as per Mountbatten) and shouted at Nehru. "Jawaharlal, do you want Kashmir, or do you want to give it away? Give your orders now!"

Seeing Nehru too shocked at the outburst, Sardar Patel turned to the Indian army Brigadier Sam Manekshaw and cried, "You have got your dang orders." By sending Pakistani soldiers dressed up as Pathan tribals Jinnah clearly indicated that he does not accept an independent Kashmir, which went against him—BIG MISTAKE, JINNAH SAAB.. The current indicator supports this-- the so called independent Kashmir out of Northern Territories and "Azad Kashmir" is usurped and ruled by Pakistan. It was the Sikh Regiment under Ranjit Rai that was the first lot to be flown in. By October 27, the Indian troops landed at the Srinagar airport, which had been, until then taken care of by the desh bhakt workers of RSS.

Intriguingly, as soon as Hari Singh signed the Instrument of Accession, he was banished from Kashmir by the Indian Government and Nehru's half brother Sheikh Abdullah was put in charge.

Hari Singh retired to Bombay (Mumbai), where he died on 26 April 1961 of a heart attack, aged 65. His son Yuvraj (Crown Prince) Karan Singh was appointed 'Sadr-e-Riyasat' ('President of the Province') in 1952 and Governor of the State in 1964.

The Indian forces entered Srinagar and quickly reinforced positions. They defeated the Pakistani forces and chased them all the way to Baramulla and Uri. After consolidating Uri and Baramulla with RSS cadre, the Indian forces went southwards.

By that time the Pakistanis had captured Mirpur on November 25, 1947. Then began in Mirpur, followed by Alibeg, a large scale massacre of Hindus and Sikhs including indiscriminate raping and looting. Around 21,000 people were killed in those massacres and thousands of Hindu women raped.

The Pakistani forces then attacked and captured Jhangar. In Operation Vijay Indian forces recaptured Jhangar and Rajauri. The Pakistani forces meanwhile laid siege on Leh and Kargil. Indian forces took Keran and Gurais. Gilgit Scouts of Pakistani forces, had major victories in Leh, Skardu and pushed further into Ladakh.

At this time, Operation Duck – to attack Dras by the Indians failed. At this time, Indians pushed harder and slowly but surely made inroads. Pakistani forces Gilgit forces were over run. Poonch, Kargil and Dras were recaptured. Zoji-la Pass was attacked using tanks – the first time such war machines were used at that height.

This was the time when messages were sent back to Indian Government by the forces for additional ammunition and reinforcements. Lord Mountbatten suggested going to UN (run by Rothschild) for a cease fire.

Sheikh Abdullah, a hard core Islamist at heart who had been put in charge of Kashmir, fooled Nehru by suggesting that India could win in plebiscite. He would pay the price as a wiser and furious Nehru would incarcerate him later for 17 years.

This set the stage for India's going in position of cease-fire, withdrawal of forces and plebiscite once things returned to normal. The UNCIP resolution of August 13, 1948 were adopted by the UN on January 5, 1949.

With this started one of the bloodiest and damning chapters of Indian sub-continent. Kashmir cannot claim self-determination. Indians are NOT stupid. Kashmir's accession is final and irrevocable as there is in law no such thing as a provisional accession.

After the demographics of Kashmir have changed by Islamic terrorism , (Kashmir is now estimated to be 64% Muslim.), we are not stupid to hold a referendum now.

Plebiscite could not be held at the right time, because of Pakistan's non-cooperation. In 1953 elected members of the Jammu & Kashmir state assembly ratified Kashmir accession to India.

India didn't sign any binding agreement to hold a plebiscite. This UN resolution is not enforceable.

Yes Nehru under Edwina's influence may have verbally promised a plebiscite --but he also made hundreds of other verbal promises.

So what's the big deal ?

The point is India didn't sign any written agreement to hold plebiscite. Whereas Pakistan signed an agreement (Shimla) to resolve of all pending issues including Kashmir bilaterally.

This agreement was signed after UN resolution. So Shimla agreement takes precedence over any UN resolution.

End of story.

TOUGH LUCK PAKISTAN !

Between 15th August 1947 and 26 th October 1947, Hari Singh lost 1/3 of Kashmir to invaders unleashed by Jinnah. On 26th October 1947 Hari Singh was on the verge of losing his capital Srinagar, that is when he decided to seek Indian help and joined India.

Haste makes waste, Jinnah saab!

As Nehru and VK Krishna Menon argued at UN in 1948, because India has a signed document that states Kashmir belongs to India, all Pakistani claims and actions in the region are null and void . Any aggression demonstrating a blatant disregard to international law and procedure would be given a moonh tod jawab .

Even before Article 370 was gifted to Sheikh Abdullah's Kashmir, strange provisions like having a separate Constitution for Kashmir (as opposed to Indian Constitution), use of National Conference flag (as opposed to Indian tricolor), and special permit for Indians to visit Kashmir has been in place. Article 370 merely formalized these and more.

Dictator Sheikh Abdullah ran a brutal police raj where Hindus were always at the receiving end. Kashmiri Pandit Premnath Dogra launched Praja Parishad, a democratic outfit to challenge the "partial to Muslims" activities of Abdullah. For 3 years, as they agitated and were brutally crushed by Abdullah's police, while the Indian Government under Nehru remained quiet. This was the first taste of future brutalities the Kashmiri Pandits would suffer .

Only Dr. Shyama Prasad Mookherjee who was Minister for Industry and Supply in Prime Minister Jawaharlal Nehru's cabinet rose up to the plight of Kashmiri Pandits and marched to Kashmir. As he reached Jammu's border on 11th May 1953, , he was arrested by Sheikh Abdullah's special police and thrown into Srinagar jail.

His Bharatiya Jana Sangh comrade Atal Biharee Vajpaye saw him being led away by Sheikh Abdullah's police. Mukherjee turned back looked into Vajpaye's eyes and cried " Do not give up the struggle" . This was the last time he would be seen .

He was murdered in jail by a Penicillin injection on 23rd June 1953 for a dry pleurisy , though he kept pleading loudly that he is allergic to Penicillin. This was Abdullah's way of revenge . But within 5 weeks there would be most severe retribution.

For on 11 February 1941 S P Mookerjee told a Hindu rally that if Muslims wanted to live in Pakistan they should "pack their bag and baggage and leave India... (to) wherever they like".

The Muslims had not forgotten the help given by sister group RSS to Indian soldiers who drove away the Pakistani Pathan tribesmen.

Both he and his father was Sir Ashutosh Mukherjee, were Vice-Chancellors of the University of Calcutta. At the age of 33, he became the youngest Vice-Chancellor of the University of Calcutta (1934), and held the office till 1938.

Dr.Syama Prasad Mookerjee opposed the Indian National Congress's decision to grant Kashmir a special status with its own flag and Prime Minister. According to Congress's decision, no one, including the President of India could enter into Kashmir without the permission of Kashmir's Prime Minister.

In opposition to this decision, Mookherjee declared --

"Ek desh mein do Vidhan, do Pradhan aur Do Nishan nahi chalenge"

(A single country can't have two constitutions, two prime ministers, and two National Emblems).

This ID card rule was revoked by the hue and cry created in India by the martyrdom of Dr.Syama Prasad Mookerjee. Nehru was arm twisted into removing the Permit system, the post of Sadar-e-Riayasat and of Prime Minister of Jammu & Kashmir

No post-mortem was ordered in total disregard of the rules. His mother Lady Jogmaya Devi requested the setting up of an impartial enquiry. Nehru however ignored the letter and no enquiry commission was set up. Mookerjee's death therefore remains a matter of great controversy. Atal Bihari Vajpayee claimed in 2004 that the death of Mookherjee was a "Nehru conspiracy".

Meanwhile, the member of the Indian Constituent Assembly. Sh. M.L. Chattopdhiya, Director of the Intelligence Bureau, Mr. G.K. Handoo, and Maulana Abul Kalam Azad all in turn, gave detailed proof of what Sheikh Abdullah was up to – and his DOUBLE AGENT agenda.

The Pakistani conspiracy of the Sheikh was submitted to Nehru along with documentary evidence and recorded tapes of his secret and public speeches. Nehru was taken aback while listening to the tapes and going through the handwritten letters of Sheikh Abdullah.

Also the hue and cry from the Indian masses suddenly changed the scenario . Nehru was now skating on thin ice and he would have been deposed if he continued protecting his alleged Muslim half brother.

Nehru went to Srinagar and shouted at Abdullah in public . “Sheikh Sahib till now I was behaving with you as Jawaharlal Nehru but henceforth I shall be behaving with you in the capacity of a Prime Minister”.

Nehru then gave orders to arrest and incarcerate Sheikh Abdullah. In a speech Nehru said that all trouble in Kashmir was due to Sheikh Abdullah’s bigotry and narrow Islamist

communal outlook and it was he who was not allowing the state to settle down to peace and stability.

Truly, the Sheikh always talked about the rights of the Muslims, forgetting that the Hindus also formed nearly 35 per cent of the population of the state and he never showed any consideration for them. Rather he was trying to drive them away, paving the way for a future UN controlled plebiscite victory.

BIG MISTAKE SHEIKH SAAB . You have upset the root UN condition that there shall be no ethnic cleansing.

By the way, Nehru's father Motilal Nehru was a lawyer, an activist of the Indian National Movement and an important leader of the Indian National Congress, who also served as the Congress President twice, 1919–1920 and 1928–1929. He was a Rothschild confidante. Hence the reason why his son Nehru became India's first Prime Minister- this chair was his alone .Even Gandhi could NOT put Jinnah on this chair and avert partition of India.

In May 1946 Sheikh Abdullah launched the Quit Kashmir agitation against the Maharajah Hari Singh and was arrested and sentenced to three years imprisonment but was released only sixteen months later on 29 September 1947.

Sheikh Abdullah took oath as Prime Minister of Kashmir on March 17, 1948. On 8 August 1953 he was dismissed as Prime Minister by the then Sadr-i-Riyasat (Constitutional Head of State) Dr. Karan Singh son of the erstwhile Maharajah Hari Singh on the charge that he had lost the confidence of his cabinet.

His cabinet minister Bakshi Ghulam Mohammed was appointed as Prime Minister. Sheikh Abdullah was immediately arrested and later jailed for eleven years. Abdullah along with Mirza Afzal Beg and 22 others were accused of conspiracy against the Indian state for espousing the seditious cause of an independent Kashmir.

On 8 April 1964 the State Government dropped all charges and Sheikh Abdullah was released and returned to Srinagar where he was accorded a great welcome by the Muslims of the valley as Sher-e-Kashmir (the Lion of Kashmir)

Nehru was suffering from a secret brain disease and he would die within 3 weeks. Nehru reconciled with Abdullah before his death, for his daughter Indira's sake.

The Muslims in India do NOT want to settle down in Pakistan. Every Hindu in Pakistan wants to run away, because of your narrow minded bigotry.

Only one mosque (Babri) was destroyed in India after Independence and that too for a reason, while more than a thousand temples have been destroyed in Pakistan.

In the British census of India of 1941, Kashmir registered a Muslim majority population of 77%, a Hindu population of 20% and a sparse population of Buddhists and Sikhs comprising the remaining 3%. In 2003, the percentage of Muslims in the Kashmir Valley was 95% and those of Hindus 4%.

India has control of 60% of the area of the former Princely State of Jammu and Kashmir (Jammu, Kashmir Valley, and Ladakh); Pakistan controls 30% of the region (Gilgit–Baltistan and Azad Kashmir). China occupied 10% (Aksai Chin) of the state in 1962.

Generations of hardcore Pakistani Islamist individuals non-native to the Kashmir region have been allowed to take residence in Pakistan-administered Kashmir. There can be no plebiscite due to such demographic changes after 1947 .

Moreover, Pakistan failed to withdraw its troops from the Kashmir region as was required under the same U.N. resolution of 13 August 1948 which discussed the plebiscite.

The 2009 edition of the Freedom in the World (report) by the United Nations High Commissioner for Refugees rated Jammu and Kashmir as partly free, while in comparison Pakistan-administered Kashmir was rated to be NOT free.

Elections held in 2008 were generally regarded as fair by the United Nations High Commissioner for Refugees, had a high voter turnout in spite of calls by militants for a boycott, and led to the pro-India Jammu & Kashmir National Conference forming the government in the state.

According to Voice of America, and world opinion many analysts have interpreted the high voter turnout in this election as a sign that the people of Kashmir have endorsed Indian rule in the state.

Yes, Islamic militants who do rabble rousing using their guns, may disagree—who cares?

Plebiscite idea is now history.

A minimum of 506,000 people in Indian Administered Kashmir valley are internally displaced due to militancy in Kashmir about half of which are Hindu Pandits .

India does not accept the two-nation theory and considers that Kashmir, despite being a Muslim-majority state, is in many ways an "integral part" of secular India. "Pity the nation that has to silence its writers for speaking their minds," pro Pakistan desh drohi, Arundhati Roy writes.

Writer?

Which writer?

Just because you sold your big brother sponsored bullshit book “ God of small things “ you have become an intellectual and a writer?

The Kashmiri Pandits have been internally displaced due to Islamic militancy and are living in refugee camps in harrowing conditions. The displaced Kashmiri Pandits must be re-settled in their own lands by the Indian government.

India has always co-operated. The Indus Waters Treaty was signed by both countries in September 1960, giving exclusive rights over the three western rivers of the Indus river system (Jhelum, Chenab and Indus) to Pakistan, and over the three eastern rivers (Sutlej, Ravi and Beas) to India.

India remains a home to more than 130 million Muslims-- and we subsidize their Mecca pilgrimage trips.

In 2011, the FBI revealed that Pakistan's spy agency ISI paid millions of dollars into a United States-based non-governmental organization to influence politicians and opinion-makers on the Kashmir issue and arrested Syed Ghulam Nabi Fai. In 1980, the Islamization of Kashmir began with full force. The Abdullah Government changed the names of about 2500 villages from their original names to new Islamic names—with the pseudo secular government of India looking the other way..

WTE (waitress turned empress) gave 10 billion Euros to Italy zone--nay-- Euro zone, so that they can continue drinking premium wine. Hey, how about doing something for our poor Kashmiri Pandits living in squalor -- in tents , without toilet facilities? Having failed to take Kashmir by force, and unable to win the hearts of the Kashmiris by offering them a democracy when they themselves had a military dictatorship and poor economy, the only way for Pakistan was to fan flames of Islamic radicalization and dish out false propaganda of Indian army excesses.

In 1990 a report showed that almost a thousand of the elite Kashmiri Muslims were on the payroll of the ISI. Saudis finance the Kashmiri terrorists through the Medical colleges.

We cannot ignore that Pakistani state is playing the same game in Kashmir to avenge the loss of East Pakistan. Whose fault is it that Pakistan lost Bangladesh?

Who picked up the gun first?

Who provoked first?

Who drew first blood?

NOT India!

TOMORROW IF MUSLIM BENGALIS DRIVES AWAY HINDUS BY TERRORISM FROM WEST BENGAL , THEN PROCREATE LIKE RATS AND CREATE A MUSLIM MAJORITY STATE -- AND WANTS TO MERGE WITH BANGLADESH-- WILL INDIA ALLOW IT?

SORRY , WE WONT.

WE ARE NOT STUPID TO HOLD A REFERENDUM EITHER.

Contrary to popular lies, the Kashmir Valley's Shias prefer India to Pakistan. Though Pakistan and Afghanistan has 19% Shias they are sidelined and persecuted there. The comparison with the British rule is simply ridiculous. India is not looting the resources of Kashmir for its own gain. Neither is anyone treating Kashmiris as an inferior race, one that must be denied opportunity.

Pakistan has used "war-addicted Afghans" , some fifty five thousand veterans with US arms and no war to fight against USSR , to keep the Indian Army occupied in counter-insurgency.

Hey, Pakistanis -- let me prick your bubble.

Forget about Kashmiri Muslims-- how many Indian Muslims do you think in your well informed opinion , want to settle down in a failed state like Pakistan (12th in the international list along with Somalia etc) and tie up their destiny with your warped and narrow minded nation ?

Wanna bet?

Dont bother –

NOT even 0.001%. In India we call them desh drohi terrorists funded by Pakistan and Saudi Arabia.

In the video below, what Indian Muslim Javed Aktar says about NIL RSS cadre being arrested by British is wrong. He is ill informed --or he wants to inject poison in history.

There were hundreds of RSS leaders and cadre in jail -- and the Cellular Jail Port Blair, register is ample testimony, for only "dangerous" freedom fighters were incarcerated there. Poets should NOT turn historians.

I have a piece of advise for Pakistan. If you put too much of heat on Kashmir, you must be ready to lose another Bangladesh - BALOCHISTAN. 41% of your land having precious minerals will be lost for Kashmir, which has NOTHING -- only tourism apples, and sapphires. People of Balochistan are sick and tired of your partial rule--just like the Bangladesis. Don't lose your wisdom here. Indians and Pakistanis have same DNA and blood. Is it worthwhile for Pakistan to align with China to snatch away Kashmir? In which case India will align with CIA and Mossad to snatch away Balochistan.
